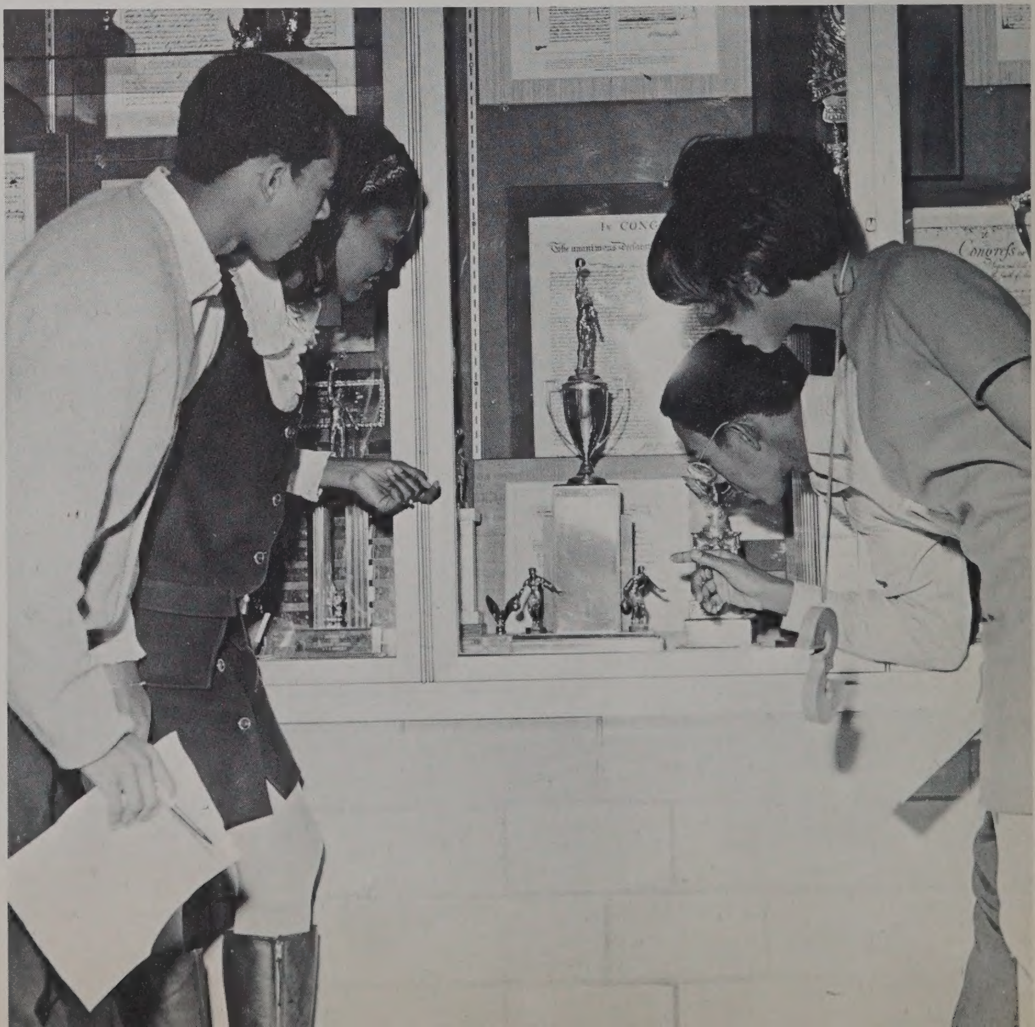
Those were the days when the Norcom students traveled in various ways to their beloved school. They walked and ran, . . . caught the bus, . . . drove cars . . .

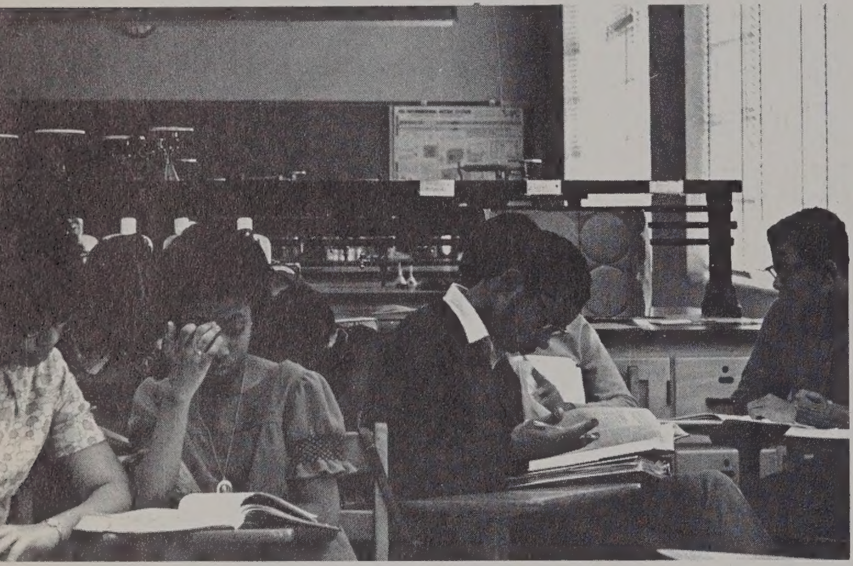
What are you doing in that locker? seems to these students an amusing question . . . and if they do not get out quickly, there will be questions by Mr. McGriff.

It's lunchtime and familiar faces are appearing in restricted areas.

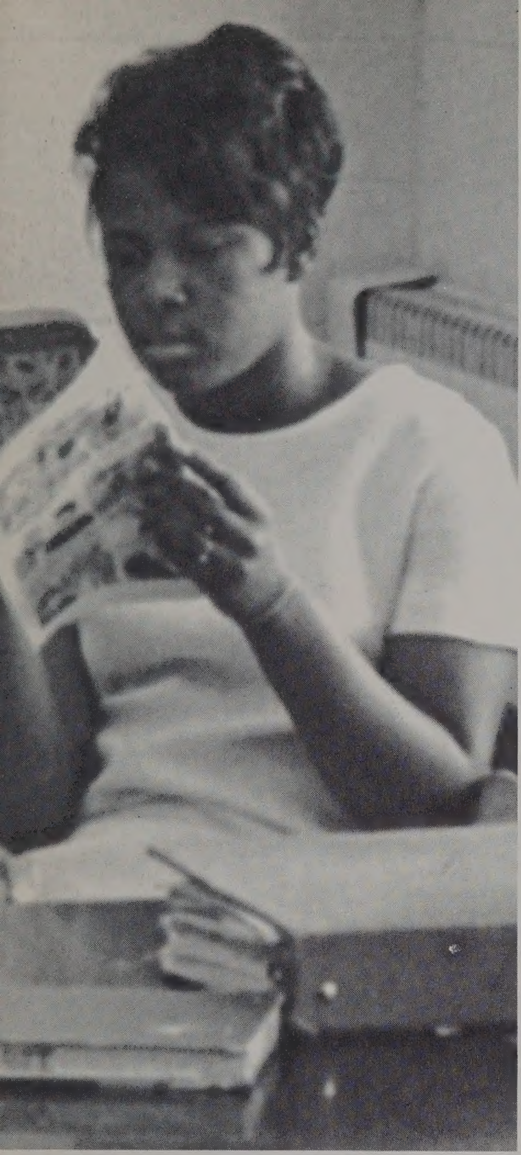


Yes, those were the days of eating fishsticks and beans.

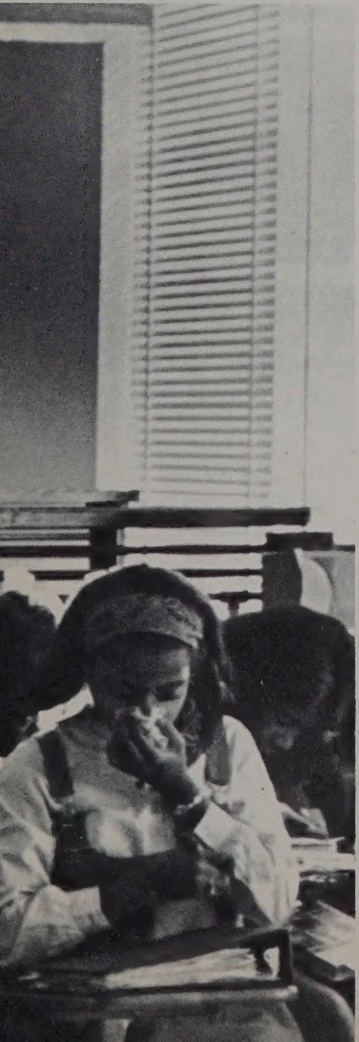
Expressing and exchanging ideas were common in all classrooms. Students participated and learned a lot.

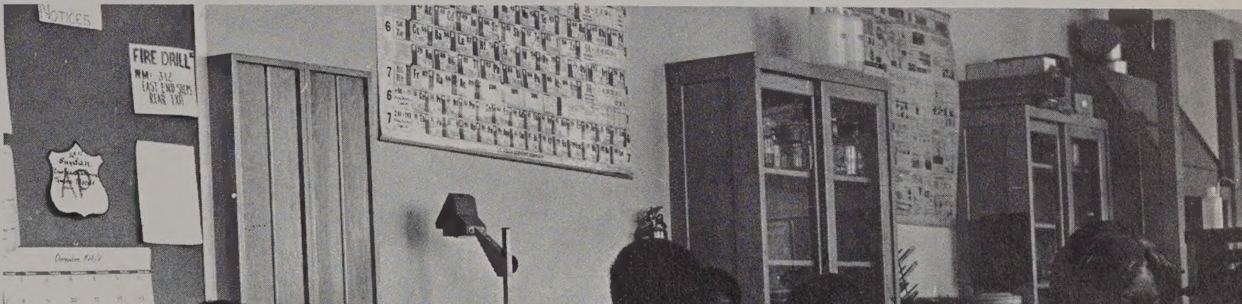


RU INWG
TO A
BETTER
EDUCATION



Whenever the thought of a long, dreary day seemed almost unbearable, you did your own thang!





NOTICES
FIRE DRILL
HAMMETT'S

One must keep in shape to maintain that perfect physique, — and only Norcom produces the best of physiques, with talent and character included!

The assemblies were appealing because they ere educational and informative — and they ot us out of class!

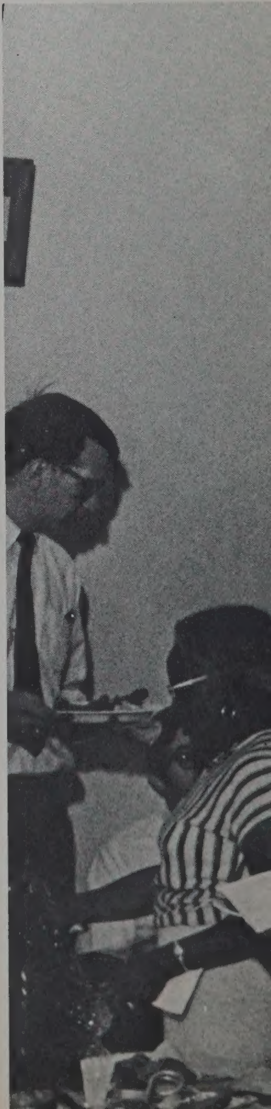
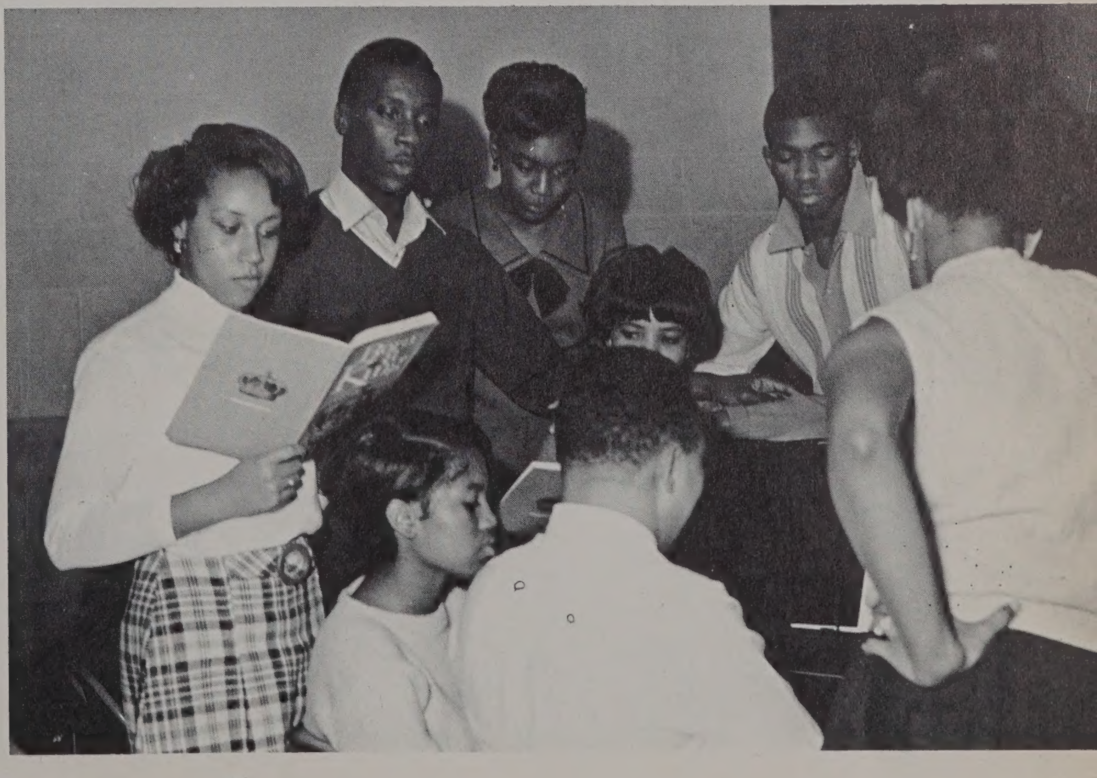
In "shop" — whether it's machine, bricklaying, or woodworking — the key words are always **create, establish,** and **maintain.**

Christmas time during the school year is when joy and happiness are in everyone's heart.



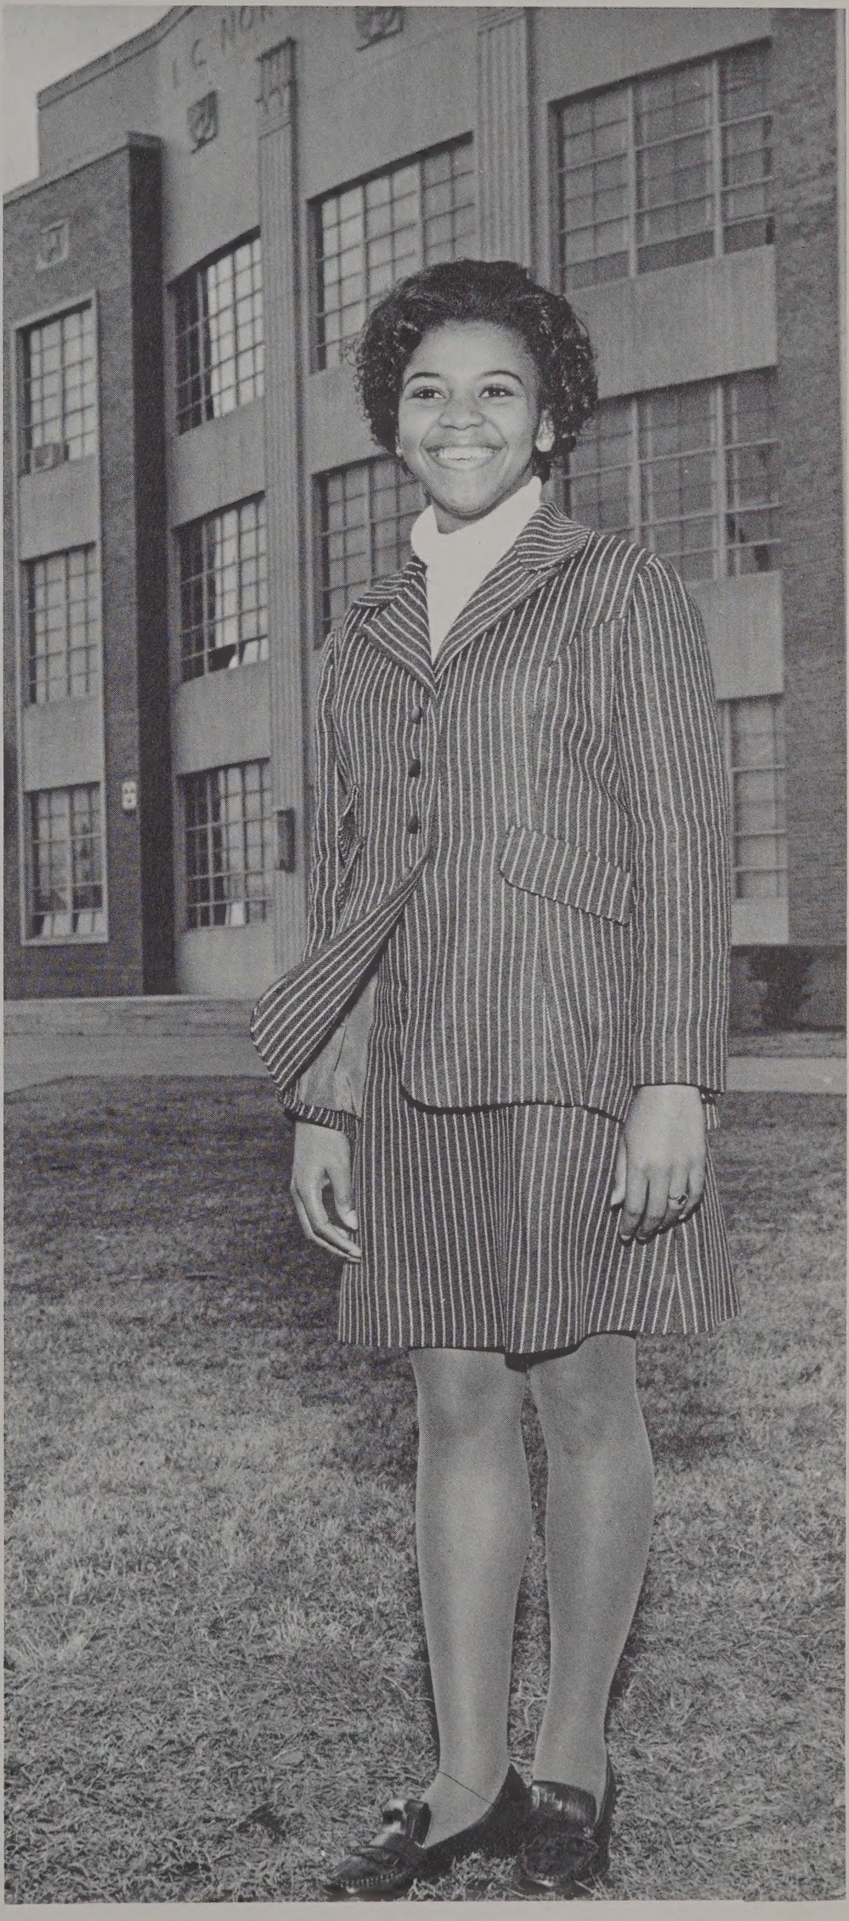
At the games our team and our band displayed their talent.

Those were the days when the Norcom Greyhounds put their heads together to create.



The vivacious, scholarly, petite, attractive, and talented Jacqueline Edmonds won the title of Junior Miss of Portsmouth for the year 1969-70. She was the first Negro in the history of Portsmouth to hold this title, and her award helped to make our senior year happy and one that will never be forgotten. Jackie's pleasant smile and her many achievements will always have a place in our hearts, because they inspire us to achieve.

Congratulations, Jackie!



I. C. NOR

WHAT IS
BROTHERHOOD

A day of involvement in school activities helps prepare us for Life's challenges. We must hold securely to what we have learned as we leave the corridors of Norcom High.

Mr. John L. McGriff
Assistant Principal

Mr. A. T. Edwards, Principal

ASSISTANT PRINCIPAL'S MESSAGE:

We are most happy to congratulate the graduating seniors. Their graduation marks the commencement of greater tasks that lie ahead which they must face and greater opportunities for them to live life more abundantly. How they will face their tasks and whether they will take advantage of their opportunities will be the full measure of the total educative process through which they have just passed. The true value of a high school diploma in today's world is whether or not its recipient is equipped with the basic skills and knowledge to meet the challenges of our changing and complex society. More important is whether the graduate fully well realizes that our changing and complex world demands his continuing life education which he, as an individual, is in large measure responsible for obtaining.

Our times are more challenging than any which mankind has faced previously. Armed with the skills and knowledge which your high school diploma represents and with, we hope, your desire to continue your growth through education — we wish you Godspeed and good luck.

Mr. C. K. Price, our new assistant principal, outlines the above message with Wilma Watts, Greyhound Staff member.

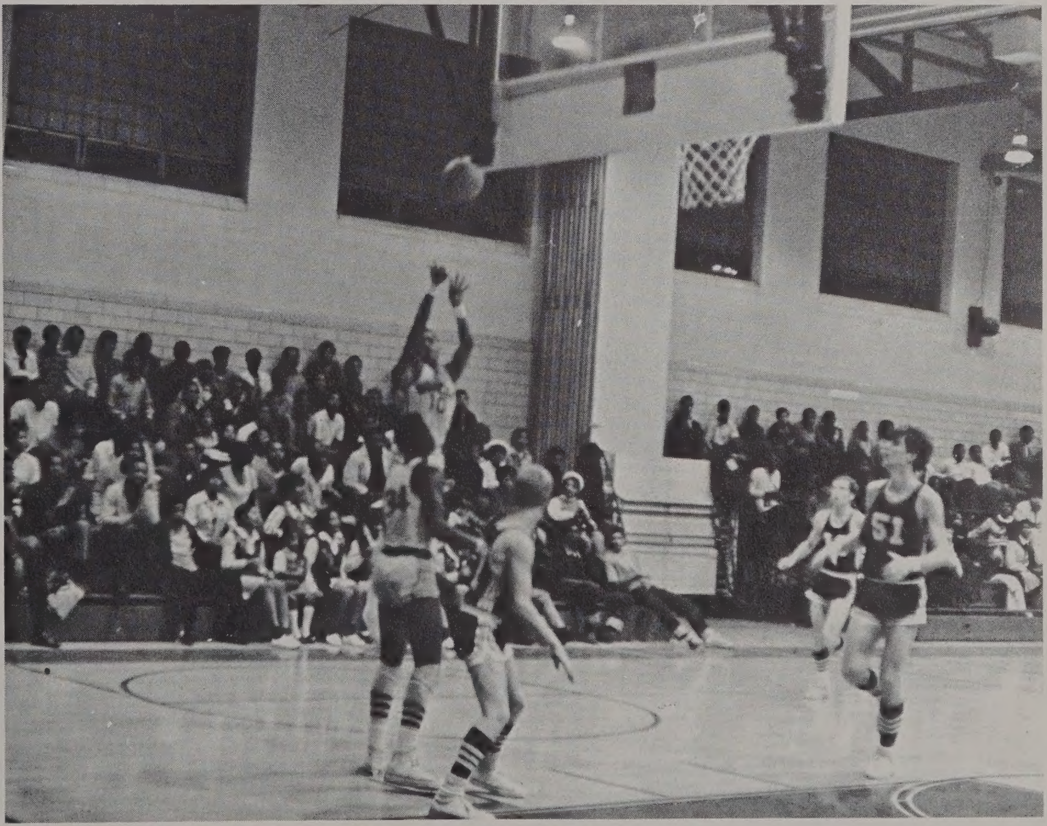
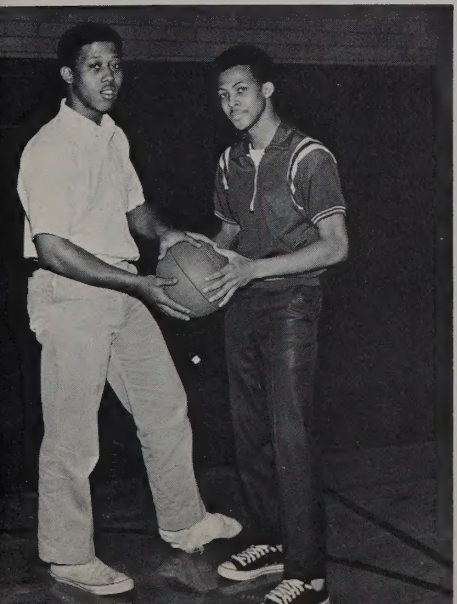
The J.V. Team





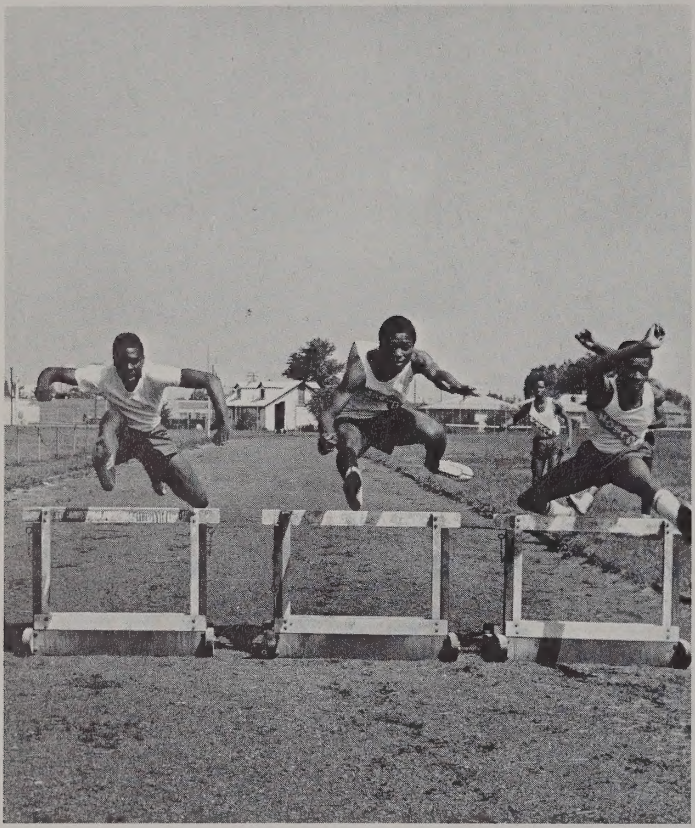
Track Team

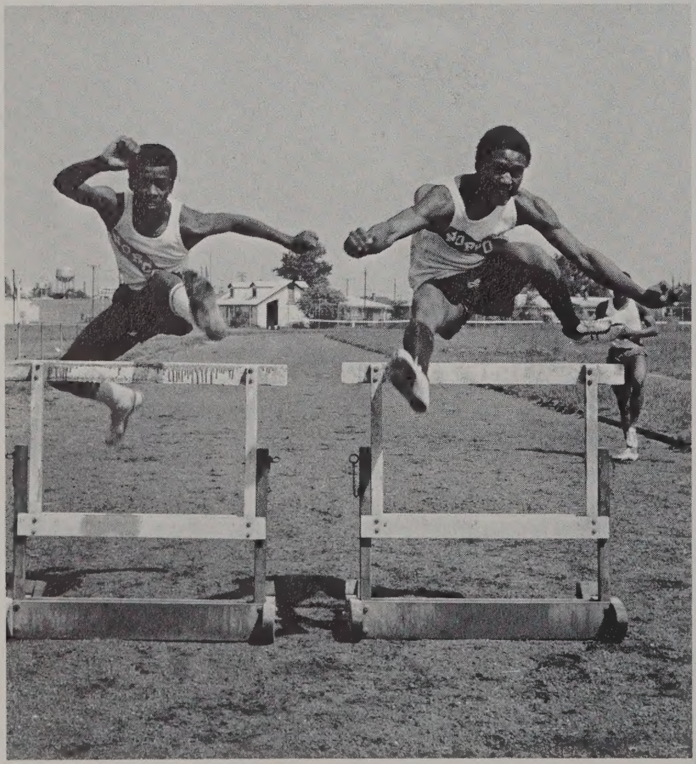
Melvin Rodwell, one of the 1968 Southeastern District Cross-Country Champions acted as spokesman for the first Cross-Country Team in Norcom's history. He tells of the many lonely miles of territory covered by these distance runners. It's a psychological race. The runners have to push themselves. Not only must the team endure the mental strain, but physical rigors. The runners must be able to keep up a fairly fast pace throughout and still have enough energy for the sprint on the last stretch. There are usually anywhere from 10 to 15 runners on a team, yet only 5 runners are needed to win. These runners usually run over a 2.3 or 2.6 mile course at Frederick College, running through some wooded area and over rough roads. It takes a lot from you, but it's fun. In Cross-Country the team with the lowest score wins, with 15 points being a perfect score. In order to get a perfect score, 5 runners must make it to the finish line before the opposing team gets a runner across. Norcom finished third in the district with a low score. Robert Willis was star of the Cross-Country Team. The team was coached by Mr. Kenny Hopkins.

The Indoor track team with a 2-3 record made it's mark even though there were no men in the field events. We went into the Southeastern District final with a 2-3 record and finished 4th in the district, behind the fine running of star sprinter Ricky Lawrence, who tied the district 50 yd. dash with a 5.5 clocking. Barnes finished second in the two miles. The mile-relay team consisting of Rodwell, Williams, Clifton and Lawrence finished second, missing the record set by Norcom last year by about one and four-tenths of a second. 1057-relay consisting of Jones, Williams, Rodwell and Lawrence finished third.

The men on the outdoor team coached by Mr. G. W. Moody are pictured here as they looked at the district meet at Churchland. The team is really moving on up!!!

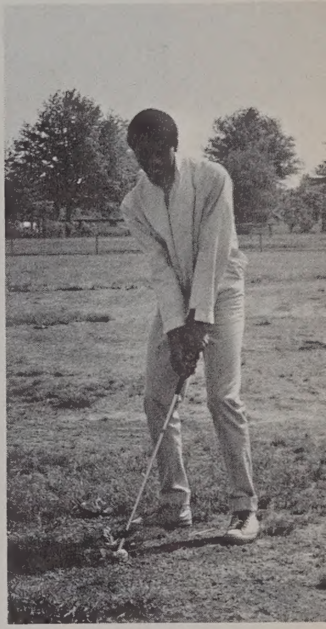
Track Is Where It's At!





Golf

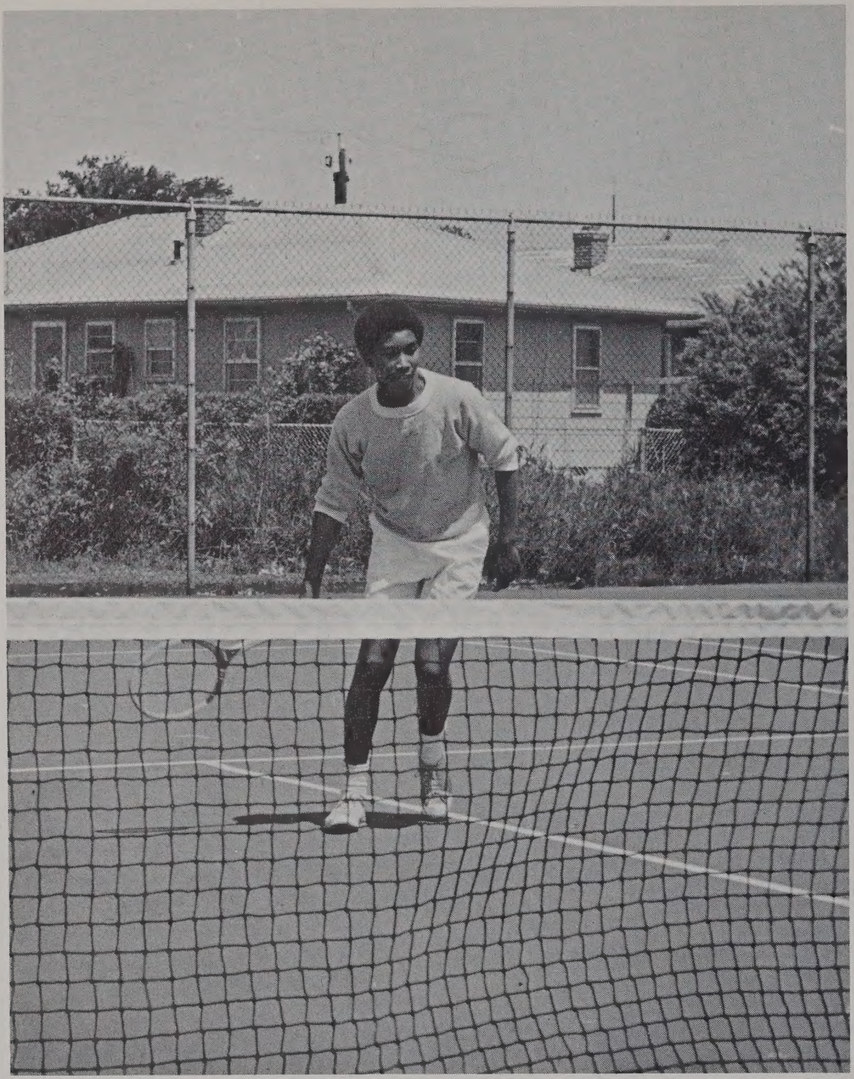
The 1969-70 season produced the first golf team in the history of Norcom. Things weren't always cheerful for Mr. James Roberts and his team. Wayne White depicts one of his many experiences in the bunker.



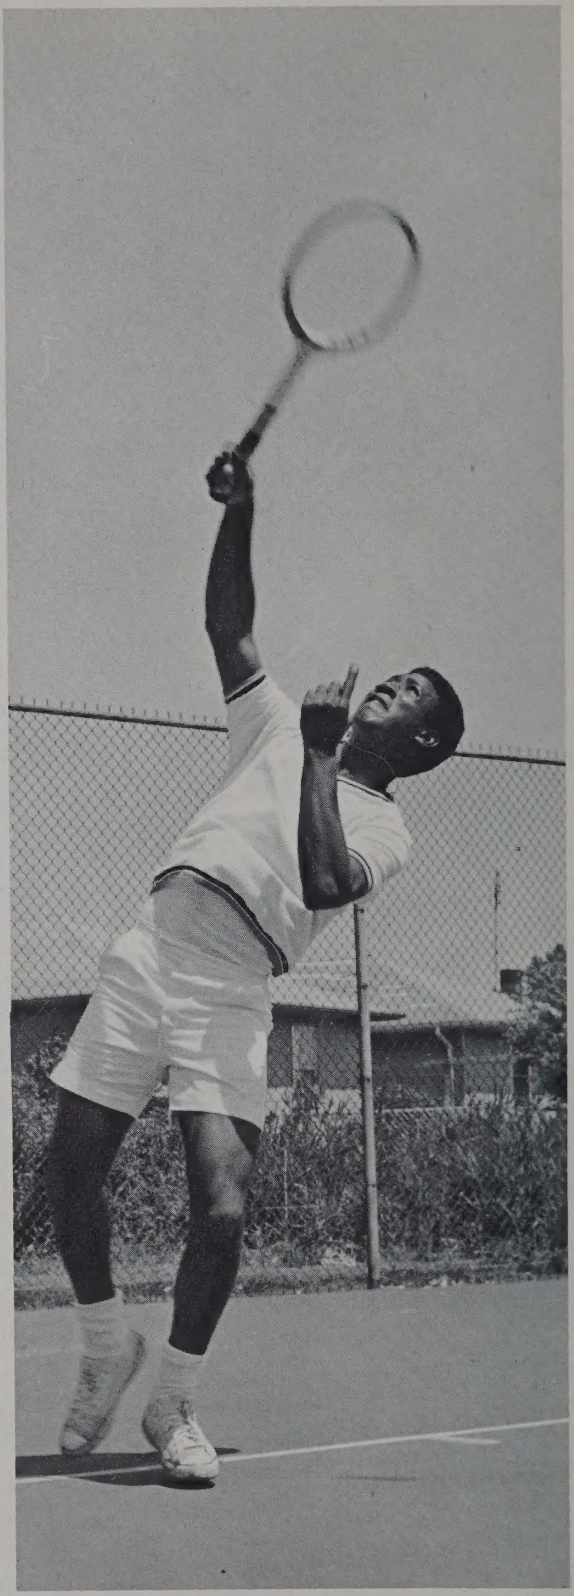
Coach Roberts continues to drill Marvin and Spence, in hopes that they will place high in the district next year.

Marvin Mills and Spence Ward cheerfully take instructions from their coach as Wayne White looks on.

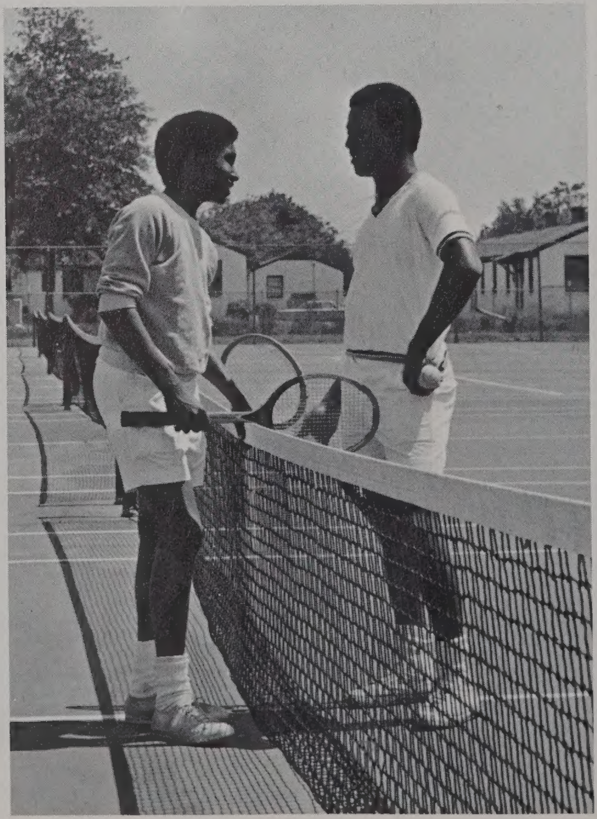
Three of next year's golf prospects prepare to tee off in a pre-season practice session.



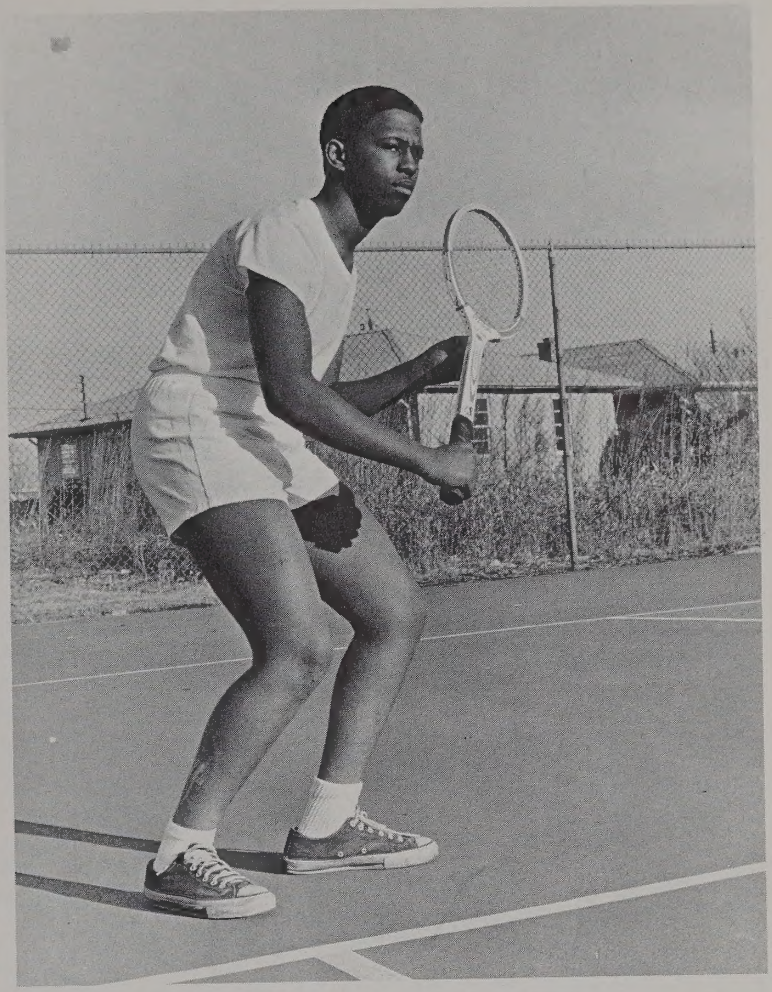
Orion Willis



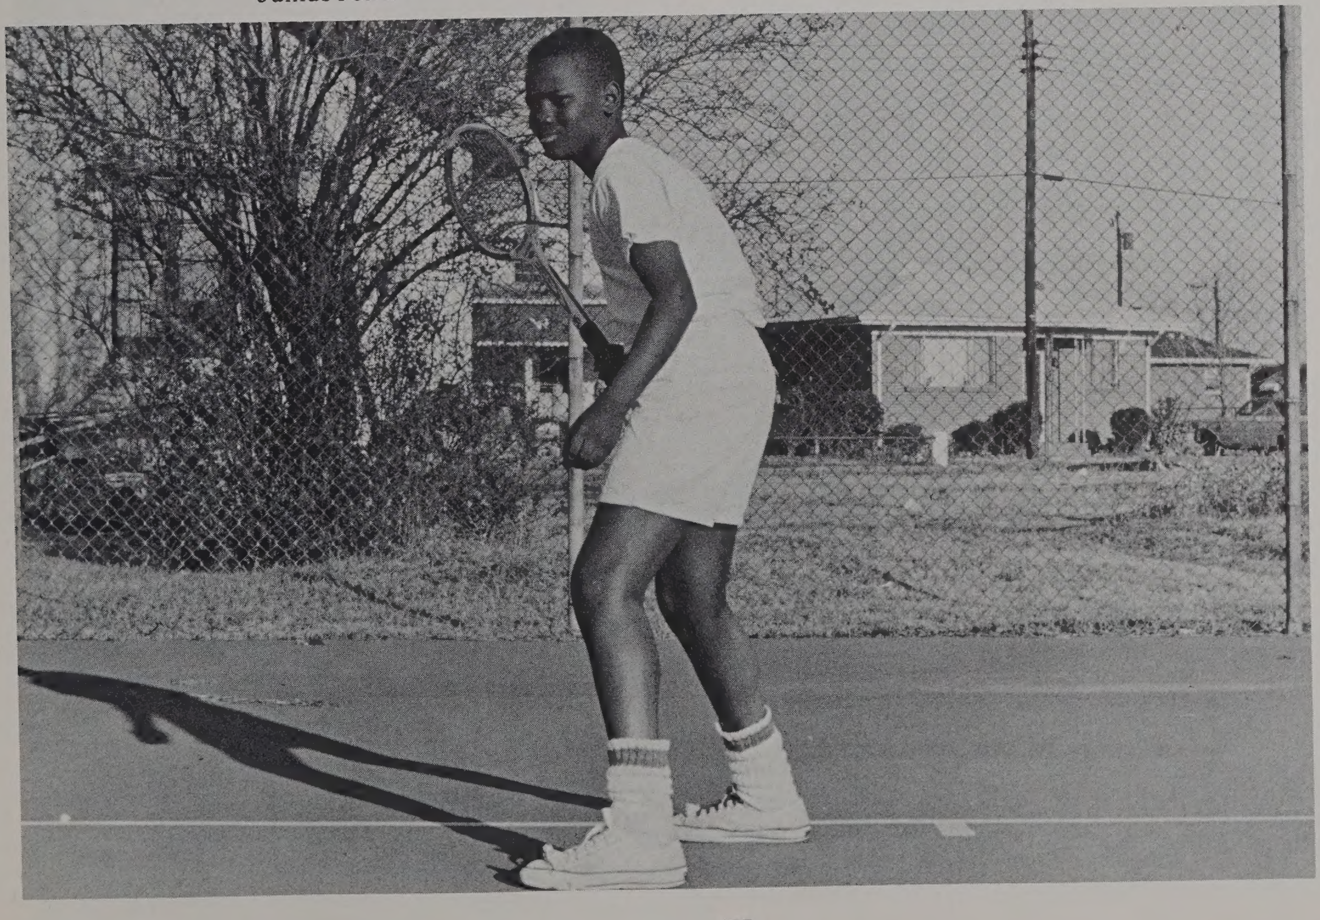
Tony Tapp



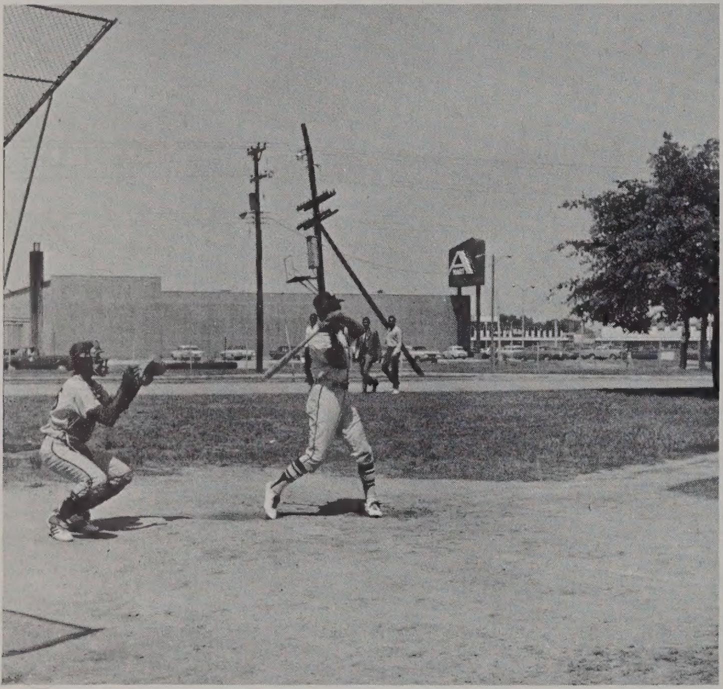
Junius Jones



Larry Gist



Donald
Croom



The 1969-70 baseball team won third place in the VSHL District Competition with the pitching of Frederick Jones. (Frederick has been awarded a scholarship to Elizabeth City State University in North Carolina). With Mr. Albert Eure, the Greyhounds have had a good season. Bruce Williams was the leading hitter in the district, batting over .500 mark. The fielding of Winford Copeland, Zachery Bright, Hobo Scott, and Charles Sneed kept the team on the heel of the district leaders. WAIT 'TIL NEXT YEAR!!!

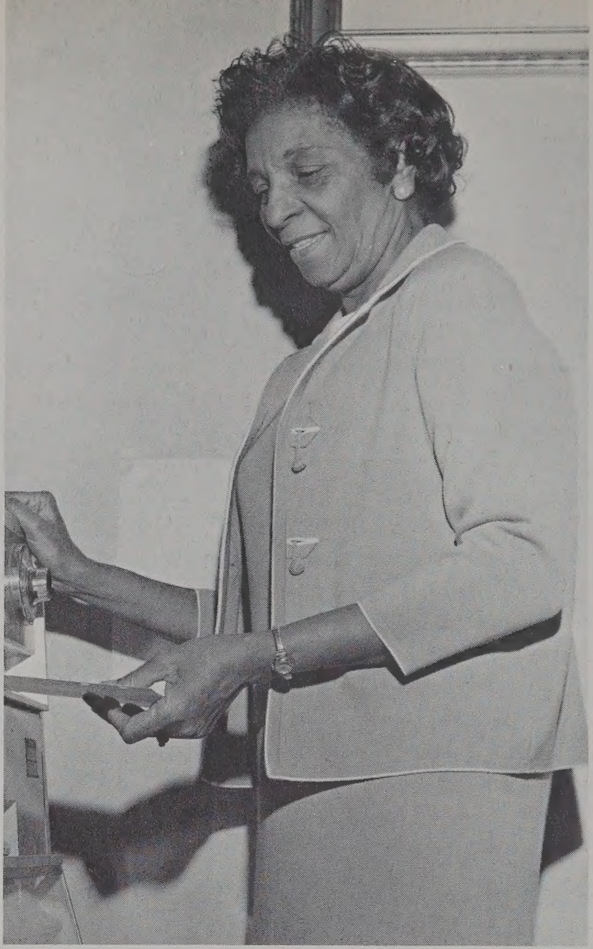
ANNEX



Dedication

Mrs. Frances Cole Johnson
Wilberforce University, B.A.

Administrative Secretary — Norcom High School, 1950-1970

"I can hardly realize that 19 years, 9 months, have passed since I first assumed my job as secretary at I. C. Norcom High School under the principalship of the late William E. Waters. The intervening years have been full and sometimes difficult. But, busy as they were, and great as have been my burdens, I have enjoyed my years as a school secretary, and I am grateful for the many friends I have made. More recently, I have had the privilege of serving under Mr. Albert T. Edwards. I am particularly indebted to the faculty and administration for their loyal support, and for their patience and understanding. Their confidence and support have made my tasks so much easier. I have tried to discharge my duties to the best of my ability, and I am profoundly grateful to those who helped me to serve them.

Happiness is saying "Thank you" for helping to make my experience with the Portsmouth Public Schools a pleasurable one. It has been my pleasure to witness the graduation of many classes, and I want to especially congratulate the Class of 1970 for their achievements and extend to each of you best wishes for continued success. I shall always remember the kindness you are showing me by dedicating your yearbook to me. To each of you I owe my affection and gratitude. God bless you, and carry on to fame and distinction."

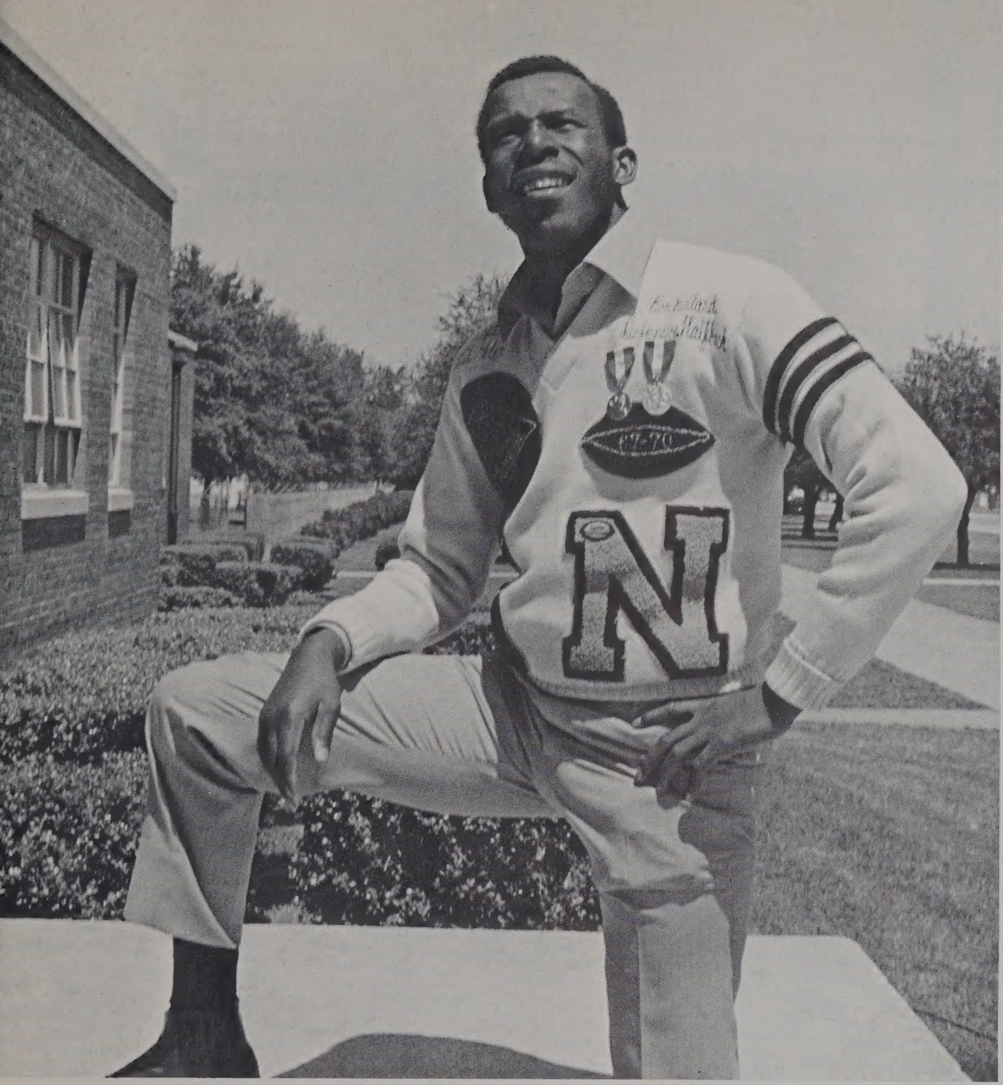
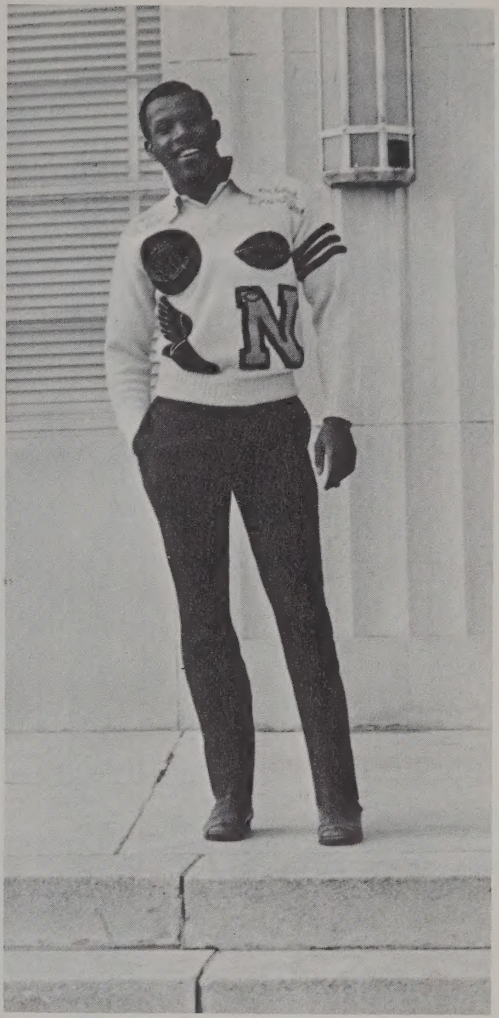
PERSONALITY PLUS

NON-CHALANT

DERBA BURDEN





Ronald Ballard, a "70" graduate, is a young man who has earned the praise of the entire student body because of his interest in sports. Ballard won the W. E. Waters award which is given to the senior who is outstanding in more than one sport. A three-year letterman, Ballard served in his senior year as captain of the football team and co-captain of the basketball team. He was also a stalwart in the feats of the mile relay team.

Ballard hopes to enter St. Paul's College for the fall term of 1970. We wish him the best of luck and hope that he will find success in every phase of his life.

Come see the making of power

Vepco's first commercial atomic power station is now under construction in Surry County, Virginia. In the new Information Center overlooking the site, you will see an excellent slide presentation, fascinating exhibits, and a working model of the reactor. (And from the balcony, you can watch them assemble the real thing.) Open 10 AM to 4 PM Monday through Saturday and 1 PM to 6 PM on Sunday. For tour information call 771-3194 in Richmond.

Doris 'Dinkie' Alston

Thelma Hurdle

Those were the days of adventure, learning, and mixed emotions — memories of which will remain in our hearts forever — memories which the Greyhound Staff has recorded for you to cherish.

The editor and sponsor are humbly appreciative to Jack Lambeth and the Delmar Publishers, whose understanding and efforts helped make this publication a successful one; to Mr. Suydam, Calvin Roberts, and Orion Willis, whose untiring efforts provided for us pictures; to the faithful and dedicated staff members; and to Mr. Barbour, Mrs. Davis, Mrs. McNew, Mr. Mason, Mr. Fane, Mrs. Coffey, Mr. Williams, and Miss Cooper.
